

Skills

CYBERSECURITY SKILLS
Hands-on experience in threat analysis, incident response, network security, and IAM through virtual job simulations and cloud security certifications.

IT INFRASTRUCTURE AND NETWORKING SKILLS
Solid understanding of network security, TCP/IP protocols, cloud infrastructure modernization, and system monitoring using Google Cloud operations.

NETWORKING SKILLS
Understanding of core networking protocols (TCP/IP, DNS, routing), secure traffic flow, and perimeter defense fundamentals.

DATA ANALYSIS SKILLS
Skilled in data exploration, business analytics, and dashboard creation using Excel, Tableau, Power BI, and Google Cloud data solutions.

ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING SKILLS
Foundational knowledge in AI/ML concepts, Generative AI, Vertex AI, and responsible AI governance and ethics principles.

RESEARCH AND DEVELOPMENT SKILLS
Experience in quantitative research methods, algorithmic modeling, and structured technical problem solving.

CLOUD COMPUTING SKILLS
Hands-on knowledge of Google Cloud infrastructure, cloud-native architecture, SRE observability, monitoring, and scaling operations.

PROBLEM-SOLVING SKILLS
Strong analytical and quantitative problem-solving skills applied to algorithmic modeling, threat identification, and data logic.

COMMUNICATION SKILLS
Experienced in technical documentation, security awareness reporting, and community representation through student ambassador roles.

ATTENTION TO DETAIL
Diligent in reviewing access controls, identifying phishing/malware anomalies, and ensuring data accuracy in analytics dashboards.

TECHNICAL SKILLS
Practical exposure to Python, Tableau, Power BI, Excel for data classification, and Google Cloud operations tools.

CREATIVITY
Creative approach to designing security awareness workflows, interactive campus tech sessions, and intuitive data visualizations.

Interests

- Cybersecurity & Threat Intelligence
- Ethical Hacking & Vulnerability Assessment
- Cloud Security & SRE
- Network Security & Defense
- Artificial Intelligence & Machine Learning

Professional Summary

B.Tech CSE (Cybersecurity) student at AKS University with hands-on exposure to threat analysis, IAM, and cloud defense via Google Cloud and simulations with Tata & Mastercard. Proven leadership as Campus Ambassador and Student Representative dedicated to securing digital systems.

Experience

Persevex Ambassador	2026-05-30 to Present MADHYA PRADESH
Represented Persevex to build and engage student communities across campus. Promoted tech awareness, led interactive workshops, and facilitated peer participation in cybersecurity, networking, and emerging technology initiatives. Collaborated with core teams to drive outreach strategies, gather feedback, and enhance community engagement.	

AKS University satna Student Representative	01-08-2025 to 30-01-2026 MADHYA PRADESH
Served as a Student Representative at AKS University, acting as a liaison between the student body and faculty administration. Facilitated peer communication, organized academic and departmental activities, and actively addressed student concerns. Supported initiatives to promote technical learning, collaborative problem-solving, and student participation in university events.	

Education

AKS UNIVERSITY, SATNA Appearing	B.Tech
GOVT. HSS MODEL SCHOOL RAMPUR NAIKIN 78.40	2024 Science
GOVT. HSS MODEL SCHOOL RAMPUR NAIKIN 75.40	2022 10th

Certifications

Cybersecurity Analyst Job Simulation Tata Mybharat Link	2026
Completed IAM policy reviews, threat mitigation, and security documentation.	
Cybersecurity Job Simulation Mastercard Mybharat Link	2026
Analyzed security alerts, phishing threats, and implemented awareness workflows.	
Trust and Security with Google Cloud Google Cloud Mybharat Link	2026
Completed training on cloud security compliance, IAM controls, and data protection.	
Modernize Infrastructure and Applications Google Cloud Mybharat Link	2026
Learned cloud-native app deployment, infrastructure migration, and hybrid systems.	
Artificial Intelligence Fundamentals IBM Mybharat Link	2026
Learned core AI concepts, machine learning logic, and responsible AI governance.	
Data Analytics Job Simulation Deloitte Mybharat Link	2026
Practical work on data exploration, visualization dashboards, and business insights.	
Power BI Micro Course Skill Course Mybharat Link	2026
Learned interactive dashboard creation, data modeling, and reporting analytics.	

Awards

Campus Ambassador Recognition Persevex	30-05-2026
Recognized for leading campus outreach and driving tech community engagement.	
Google Cloud Security & Digital Leader Google Cloud	01-07-2026
Earned skill badges for excellence in Cloud Security, IAM, and Modernization.	
Academic Excellence Award (12th Grade) Govt HSS Model School Rampur Naikin	01-06-2024
Secured First Division distinction (78.4%) in Higher Secondary Science stream.	
Quantitative Research Excellence J.P. Morgan	01-07-2026
Awarded for successful completion of quantitative modeling and data logic analysis.	
Google Cloud AI & Innovation Honor Google Cloud	01-07-2026
Completed advanced learning paths in Generative AI, Vertex AI, and Cloud Security.
